II. TERMS AND CONDITIONS

APPLICATION: The application and any required additional documentation, including the invoice and equipment tune-up reports, must be filled out completely, truthfully and accurately and must be submitted electronically by the contractor. Customers are advised to get from their contractor and retain a copy of the application and any accompanying documentation submitted to Consumers Energy under this program. Consumers Energy will not be responsible for lost documentation pertaining to an application request. This program covers products purchased and installed on or after January 1, 2017, and/or tune-ups performed on or after January 1, 2017. Air conditioner tune-ups must be performed in the season equipment is in use, May 1 through September 30, to qualify for rebates. Please check our website for updates. Details of this program, including incentive levels, are subject to change or cancellation without prior notice. The application, with required documentation, must be received within 30 days of the installation's completion or service performed. Only one rebate is available for each qualifying heating and cooling unit purchased. Rebates are limited to one qualified tune-up per furnace every three years, and one rebate every five years for boilers and air conditioning systems. Funds for incentives are limited and available on a first-come, first-served basis. Incentive amounts are valid through December 31, 2017, but can change without notice. Please call 866-234-0445 or visit ConsumersEnergy.com/myhome for the most up-to-date details.

ELIGIBILITY: This offer is valid for Consumers Energy residential customers applying through the Consumers Energy Residential Heating, Cooling and Water Heating Program only. In order to qualify for a rebate, all equipment must be installed by a participating Trade Ally listed on the Consumers Energy website. The application must be submitted by a participating Trade Ally via the online application located at ConsumersHVAC.com. Customers must receive electric power and/or natural gas distribution services from Consumers Energy. This offer is not valid for new construction homes or commercial properties. Equipment must be installed in the Consumers Energy service territory. Participating Trade Allies and eligible systems are listed at ConsumersEnergy.com/myhome.

APPROVAL, VERIFICATION AND INSPECTION: Prior to any payment of incentives, Consumers Energy reserves the right to verify sales transactions. Customer's contractor will verify that the installed energy-saving measures meet all applicable building codes; zoning laws; local, state and federal requirements; and other relevant requirements. Contractor is responsible for any applicable permits as required by aforementioned code/law. Outdoor temperatures may affect this verification process. Customer's home may also be selected for a quality control post-installation verification by Consumers Energy. No warranty is implied by this verification.

REQUIRED DOCUMENTATION: A contractor's invoice itemizing the purchased equipment or tune-up service performed must accompany each Consumers Energy Residential Heating, Cooling and Water Heating Application Form. The application must indicate the equipment type, make, model, serial numbers (coil and condenser model/serial numbers listed separately) and date of purchase or service performed. Applications for tune-up services must include the furnace, boiler and/or central air conditioner report, along with the contractor's invoice.

III. SIGNATURES (REQUIRED)

Consumers Energy Residential Heating, Cooling and Water Heating Program Incentive Request Forms cannot be processed unless all of the appropriate fields on this application are complete. Please be sure you have read the terms and conditions of this application.

I HAVE READ AND UNDERSTAND THE TERMS AND CONDITIONS ABOVE. I CERTIFY THAT THE INFORMATION I HAVE PROVIDED IS TRUE AND CORRECT AND THE PRODUCT(S) AND/OR EQUIPMENT FOR WHICH I AM REQUESTING A REBATE MEET THE REQUIREMENTS IN THIS APPLICATION.
